## *Cleveland Hungarian Cultural Garden*

February 28, 2021

Dear Garden Friends,

Thank you for your support and loyalty during this past year. What a year it was!

Although we have had to cancel most of our fundraisers, progress has been made in the restoration of the Garden. The sculpture, "Wings of Peace" ("Béke Szárnyai") has been in place on the Legacy Wall since October. The dedication is scheduled for June 27, 2021 (Rain Date/Covid Date Sunday, September 12) in the lower Garden. The Liszt Concert will follow.

Our "Clean and Plant" sessions in the Garden will continue, followed by the Outdoor Garden meetings. The Garden is often the selected location for small wedding photo shoots, graduation photos, and family photos.

Please stay connected with the Hungarian Cultural Garden of Cleveland during these unusual times. We hope to see you often this summer.

Committee:

President,

Kind regards

*Carolyn Balogh, President*
