Rededication at Liszt plaque in August 2008

Join us to savor the soothing natural sights and thrill to the music of Liszt! Bring a blanket or chair and a picnic basket, some wine and enjoy the entire afternoon!

In addition to the concert, there will be a tree planting ceremony to replace the Hawthorn trees following the original garden design from 1938 and a traditional St. Stephen's Day commemoration.

Work on the Hungarian Cultural Garden started in 1934 with the dedication of a plaque commemorating Liszt on the occasion of the 123rd birthday of Ferenc Liszt.

In the spirit of the grand music of this great composer, come and enjoy the garden's splendor at the height of summer!
